RE: WINDSTREAM COMMUNICATIONS, INC. – WINDSTREAM COMMUNICATIONS, LLC  
DOCKET NO. T-20436A-16-0010

Dear Ms. Burke:

We have received your letter dated April 4, 2016, which accompanied a complete re-issuance of your tariffs reflecting a name change to Windstream Communications, LLC.

We are accepting these tariffs, effective May 6, 2016, based on the assertion that the filing will not increase any rate or charge, cause the withdrawal of service, nor conflict with any schedule or rule.

Staff will keep a set of the existing tariff pages (Windstream Communications, Inc.) for an indefinite period and will periodically cross reference any future filings against the existing tariffs as a further check to ensure that no substantive changes have been made by the re-issuance. If any substantive changes are discovered by Staff, we will consider the existing tariff to be controlling.

Sincerely,

Renee de la Fuente  
Administrative Support Specialist  
Utilities Division
